

## needs, wants + must-haves

Whether you're home or away, chase away the chill this season with these stylish winter warmers.

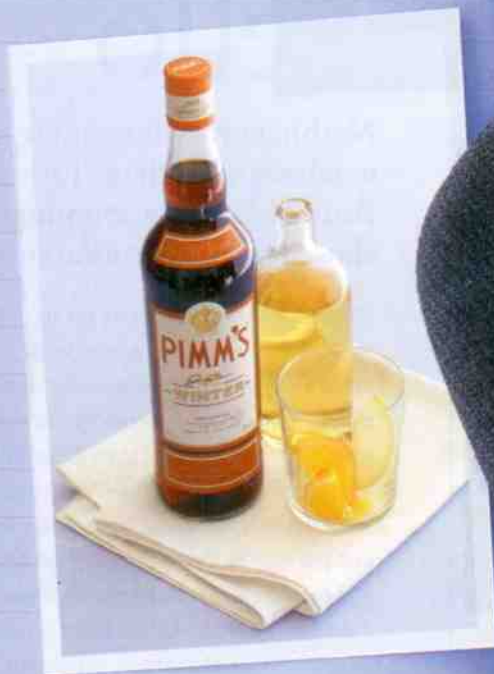

**PIMM'S PLEASE** I discovered Pimm's Winter Cup, from Ultimo Wine Centre, on a recent trip to London. Redolent with orange and spices, enjoy it warm with apple juice.

**TAKE A TUMBLER** These Kate Spade 'gin rummy' crystal glasses from Royal Doulton feature a frosted ace, spade, club and heart and are perfect for enjoying the winter Pimm's.

**ON THE CARDS** These handmade cards, from Ellifont, make a nice invite or thank you note when throwing a winter dinner party.

**KEEP IT COSY** Comfort is paramount on long-haul flights. This cashmere travel blanket, from Ondene, keeps me snug.

**SLEEPY HEAD** A cashmere and satin 'eye cocoon', from Sleep Sanctuary, ensures I get much-needed rest and hit the ground running on those important business trips. ■
